- Lot 4 is one of our last two Beast Mode sons. He has terrific numbers for use on heifers and is also double bred to Isabel Y69!
- He is a slightly smaller frame size, but still a very blocky bull. He will definitely add some calving ease to your herd without sacrificing the mature look a bull should have.
- Top 2% CEM, 10% BW, 15% CED, 25% \$W, 30% MILK, \$EN, \$M, 35% TEAT.
